SCHOLARSHIP PROGRAMS

Türkiye Scholarships offers a range of programs designed for each level of study, region and country, based on priority areas of study. Candidates are provided with a university and academic program guide through the Türkiye Scholarships Application System (TBBS).

Associate Degree Scholarship Programs (Technical and Vocational Education and Training)

Two-year associate degree programs offer students the opportunity to shape their careers by adding professional knowledge and skills. For available departments and universities please check our website.

Undergraduate Scholarship Program

Undergraduate Scholarship Program specifically designed for undergraduate applicants. Applicants interested in designated courses from engineering to health sciences, from humanities to social sciences may apply for this program. For available departments and universities please check our website.

Graduate Scholarship Program

A wide range of programs across social sciences, humanities, natural sciences and engineering at Master's and PhD levels are offered at prestigious Turkish universities. For available departments and universities please check our website.

Merit Scholarship Program

Merit Scholarship Program is designed to inspire Türkiye Scholarships grantees to be more dedicated on their studies and encourage qualified students. Students who awarded Merit Scholarship will get monthly stipend 2 times higher than the regular payment for their level of study. Merit Scholarship is both for prospective and existing Türkiye Scholarships students. For eligibility criteria, please check our website.

SHORT-TERM SCHOLARSHIP PROGRAMS

Success Scholarship Program

Success Scholarship Program is specifically designed for students who are currently studying in Turkish universities with their own finances and have shown exceptional academic performance. Success Scholarship Program only covers monthly stipend.

Research Scholarship Program

Research Scholarship Program is designed to encourage international researchers and academicians to carry out collaborative academic research in their own fields with Turkish academicians in the most prestigious Turkish universities. Candidates who have completed their PhD education or are in the PhD thesis stage can apply to this Program.

Turkish Language Program for Public Officials and Academicians [KATIP] (8-10 months)

Turkish Language Program for Public Officials and Academicians (KATIP) is designed for foreign public officials, diplomats, academicians, and researchers who wish to learn Turkish and to get more familiar with Türkiye.

GENERAL INFORMATION

PLEASE NOTE

Some departments and programs may require additional criteria to be met by the applicants. For additional requirements, please check department websites and our online application page.

- ^ **Short-term scholarship programmes may have additional application requirements.**
- ^ **Please check the requirements during the application period.**
- ^ **Specialization in Health Sciences is not offered by Türkiye Scholarships**

CANDIDATES

SELECTION

Türkiye Scholarships applications are assessed on the basis of academic success, extra-curricular activities and other professional credentials of the candidate.

1 PRELIMINARY ASSESSMENT 

All applications are reviewed based on basic criteria such as minimum academic grades, age limit, required documents...etc.

2 EVALUATION 

Applications of eligible candidates are carefully reviewed by Expert Committees based on a broad set of criteria including academic success, previous qualifications, academic interests, career goals, consistency of choices, clarity of letter of intent, participation in social activities ...etc. after which a list of qualified candidates is shortlisted for interviews.

3 INTERVIEW 

The shortlisted candidates are interviewed in more than 100 countries by interview committees including academicians and experts.

How interviews are conducted?

Qualified applicants are invited for an interview in their own countries. In some cases, applicants are interviewed online or by telephone. Interview committees usually consist of at least one representative of Türkiye Scholarships and one academic staff from Turkish universities. Interviews usually last 15-30 mins. and are conducted in the following format:

- ^ Welcome and introduction
- ^ Document check
- ^ Candidate's motivation for applying
- ^ Academic knowledge and career goals
- ^ Ending and questions for the committee

4 SELECTION 

Interview results of applicants nominated by the interview committees are evaluated by a selection committee and a list of applicants to be awarded a scholarship is formed.

5 ADMISSION 

Candidates who are found eligible to be awarded with a scholarship following evaluation in the interviews are sent an acceptance letter through the Türkiye Scholarships Application System (TBBS) and through e-mail and are informed about the admission process. Awardees are then required to complete their Scholarship Agreement procedures before their arrival in Türkiye.

FRESHERS' GUIDE

For our Freshers' Guide that is designed to provide students with information on the steps they need to take before and after their arrival in Türkiye as a Türkiye Scholarship holder, please visit:

www.turkiyeburslari.gov.tr

AWARDEES

Turkish Language Preparation Course

The students who are eligible for the Türkiye Scholarships and who also do not speak Turkish are granted free Turkish language training for one year.

For all the students who do not speak Turkish, the language training will be a prerequisite for their university program they are placed in. Turkish Language Courses will take place in the cities in which Turkish Education Centers (TÖMER) are located. The language program is for 8 months and ends in June. Students are expected to receive a C1 level Turkish competency from the Turkish Proficiency Test at the end of the course.

Scholarship Procedures

Procedures regarding Türkiye Scholarships holders are conducted by the Presidency for Turks Abroad and Related Communities (YTB).

- ▣ Payment of monthly stipend
- ▣ Banking transactions
- ▣ Health insurance transactions
- ▣ Permission operations
- ▣ Initiation, suspension, and termination of the scholarship.

Cultural and Academic Guidance

In an attempt to contribute to social, cultural and academic improvement of international students, Türkiye Scholarships is carrying out many projects and activities regarding the international students in Türkiye.

International Students Academy

The International Student Academy aims to strengthen the academic, social and cultural skills of international students, especially Türkiye Scholarship students, who are studying in Türkiye, in addition to their university education. In coordination with various non-governmental organizations and research centers, seminars, specialization courses and culture and art workshops are held in 17 cities in different fields.

International Student Internship Program

The International Student Internship Program is carried out in various cities during the summer semesters in order to help international students studying under Türkiye Scholarships gain experience in business life. As part of the International Student Internship Program, which has been carried out since 2021 for Türkiye Scholarship students to gain short-term work experience during their education, students are provided with internship opportunities in the public and private sectors.

AWARDEES

International Student Science Congress

Within Türkiye Scholarships, the International Student Science Congress programme is carried out in order to contribute to the development of the academic knowledge of international students studying at graduate level at universities in Türkiye and to support the participants to produce scientific studies. The Congress accepts papers in the fields of Social Sciences and Humanities, Science and Engineering Sciences, Health Sciences and Congress Special Topic.

International Student Awards

Türkiye Scholarships organises the International Student Awards every year in order to support the talents, knowledge and experience of international students receiving higher education in Türkiye and to support the valuable works and ideas they put forward in this context. International students who are successful in competitions in various fields such as culture and arts, literature, media and projects are appreciated and supported and their career development is helped

ALUMNI

International Students Graduation Ceremony

The International Students Graduation Ceremony has been organized every year since the launch of the Türkiye Scholarships in 2012. The ceremony brings together graduating students as they complete their educational journey in Türkiye and become part of the Türkiye Alumni family.

Alumni Network

Being aware of the importance of building sustainable relationships with our alumni, Türkiye Scholarships aims to maintain economic, political, cultural and academic relations with Türkiye Alumni through various activities. Türkiye Scholarships has an alumni body of around 150.000 alumni members from more than 184 countries. In an attempt to strengthen our ties with alumni members, alumni meetings were organized in more than 60 countries. As a result, alumni associations establishment projects and other organizational activities of our alumni are being supported across the globe.

Alumni Associations

Many Alumni Associations have been established voluntarily by Türkiye Scholarships graduates from various countries, facilitating the communication of Türkiye graduates both with Türkiye and with each other in an institutionalized manner. Through Alumni Associations in many countries across the world, graduates of the program both pursue their academic and social relations, and inform other young people in their countries of education opportunities offered by Türkiye.
